

6th Grade Class Disclosure

Welcome to an exciting year in 6th Grade at Academy Park Elementary. Please refer to the following information to help you have a successful year. Our 6th grade team of teachers is: Mrs. Hart, Mrs. Moore, and Mrs. Watson. We are excited to have you in our classes this year and look forward to preparing you for 7th grade.

CLASS GOALS:

We, the teachers, will strive to...

- *Help students be successful and have a positive learning experience.
- *Increase student knowledge of core content.
- *The Utah CORE standards and objectives can be found at www.schools.utah.gov/curr/core by clicking on the 6th grade link.
- *Help students recognize and apply core content in everyday living.
- *Increase student ability to work efficiently with other students.

Students are expected to...

- *Be responsible for their behavior.
- *Be in charge of their learning and make choices that don't interfere with their classmates' opportunities to learn.
- *Be prepared with neat and completed assignments.
- *Be respectful towards others: which includes all teachers, classmates, and other school representatives.
- *Be respectful towards supplies and school property.

School/Class Rules:

- **Be Safe**
- **Be Respectful**
- **Be Your Personal Best**

REMEMBER: *You are the oldest students in the school and therefore are an example. Choose to be a good example for those watching you.*

ATTENDANCE:

Learning and practice are difficult if students are not in school. Please make every effort to attend every day and be on time. When a student is not in school they miss valuable instruction time and fall behind. Please make appointments after school hours when possible.

LATE WORK POLICY:

No late work will be accepted unless the student was absent from school. If a student is absent they have one school day to make-up their work. Example: if a student is absent on Wednesday, the work missed is due Friday. If a student is absent Friday, the work missed is due Tuesday.

MAKE-UP/EXTRA CREDIT WORK POLICY:

No make-up work or extra credit will be accepted. The goal is to ensure students do their best work the first time around and understand their effort is linked to their grade.

HOMEWORK:

Student homework will be sent home Monday through Friday. **IT IS EXPECTED TO BE RETURNED THE FOLLOWING DAY.** If homework is missed due to an absence, it must be turned in two days after the date of return along with any other missed work. If homework requires a parent or guardian signature, no credit will be given if there is no signature. If students are going on vacation, students must give two weeks' notice and work must be handed in the day they return.

GRADING:

Grades will be determined by classroom assignments, homework assignments, and assessments. Grades will be calculated using the district standard. Therefore, you will be able to access this data anytime via the internet. To access GRADEBOOK/ PARENT PORTAL go to <https://portal.graniteschools.org>. You will need your student's number and birthday to set-up your account.

A proficiency scale has been developed for each essential standard in all subjects. Each scale consists of the following levels: **below (1), approaching (2), proficient (3), and above proficient (4).** Each student will be assessed on the continuum according to their mastery at that time. Every student is expected to meet the secure level requirements. The exceeds level is available to students for each skill to challenge their learning.

Supplies:

Having your supplies is **essential** to your preparedness and academic success. Please check with your teacher and make sure you have all the needed supplies by Friday, August 24, 2018.

Contact Information:

Please feel free to contact us with any questions or concerns you may have.
